

Summer 2022 Week 1- Sports

Quick Draw Olympics!

K-5

Objective: Students will race against the clock to complete quick, spontaneous sketches.

Topics & Keywords for Discussion:

Sketch: a rough drawing of an object or scene

Materials: copy paper, pencils/colored pencils/crayons/markers

Opening activity:

Introducing the “QUICK DRAW OLYMPICS!!!” You may want to identify 1 student to be the time keeper/referee/helper: you’ll need help replenishing supplies

in between each round. Let students know that they’ll be

picking a scenario BY NUMBER from a list and that they’ll have 3 minutes- 3 MINUTES ONLY- to draw in each round.

Core Activity: Get your LIST READY (see below!) Distribute pencils and 1 sheet of copy paper to each member... call on 1 student to give you a number between 1-40 for the first round, and prepare your timer. ANNOUNCE the drawing prompt for the first round, announce it 2 times and then say: “Ready, Set, DRAW!!!” and start the timer. Give them a 30 second warning and then count down from 10 before you say “PENCILS DOWN!” then have students HOLD UP their drawing at their seats and come around to see each drawing. You can pick 3 top artists for each round (bronze, silver, gold)... or not! Make sure you distribute paper, and have a student pick a number for each following round.

Reflection: As students help clean up the space, ask them: did you like this activity? Why or why not? DO you think ART should be a competition? Should ART be in the OLYMPICS?
