

## Summer 2022 Week 2- THROWBACK! Throwback Fashion- the RISE of RETRO!

K-5

**Objective:** Students will learn about fashion and style trends from the 20<sup>th</sup> Century and will create a retro 'look'.

### **Topics & Keywords for Discussion:**

**Retro:** imitating a style, fashion, or design from the recent past.

**Materials:** copy paper, pencils/colored pencils/crayons/markers, scissors, glue stick, paper.

**Opening activity:** Show students the "Evolution of Dance" video from Twist & Pulse and/or "Evolution of Dance - 1950 to 2019 by Ricardo Walker's Crew". Invite the students to get up and dance if they're feeling it!

**Core Activity:** As a group, you will pick a decade for each day of this activity. Using the list below, play CLEAN music from any decade and have students select one or more fashion/style item to 're-create' from that decade. They can create an outfit, hair style, makeup style or accessory item for their 'look'. Distribute the face and clothing template pages (COPY THESE IN ADVANCE) for students to use.

**Reflection:** As students help clean up the space, ask them: did you like this activity? Why or why not? Do you expect to see any of these retro style items again?
